2018 Internships

Bunker Projects offers internships to students looking for hands on experience in arts administration, studio arts and curatorial practices. These areas converge as resident and visiting artists create works on site to be exhibited in the galleries. Bunker Projects fosters a cooperative operating structure so interns have the opportunity to contribute to the identity of our programming.

Interns work closely with the Executive Director to produce and promote exhibitions,. Interns will be focused on assisting exhibition production, helping to run events, and create marketing materials. They will engage in research, writing and marketing tasks that bring exhibitions to life in the galleries and on the web. Bunker Projects offers a unique dual perspective into the life and work of emerging artists and organizers with in an independent and experimental arts organization.

Required skills & abilities:

- Familiar with gmail / google apps (google Drive in particular)
- Savvy internet researcher
- Experience with photoshop and basic design graphics
- Willing to contribute to installation & gallery maintenance
- Personable & hardworking
